*How can people **in every nation***

COME TO WORSHIP THE LORD?

The Great Commission

Matthew 28:16–20

From 11 disciples to 3,511 disciples

*How shall **the Lord's Church***

MAKE DISCIPLES OF ALL NATIONS?

Church History

MAKE DISCIPLES OF ALL NATIONS?

Church History Is Behind Us!

Those generations are now with the Lord.

IT'S YOUR TURN!

*How shall **our generation** of the Lord's Church*

MAKE DISCIPLES OF ALL NATIONS?

Baptize them

in the name of the Father and the Son and the Holy Spirit

Teach them

to observe everything Jesus commanded (c.f. Acts 20:27)

Replicate them

Entrust God's Word to faithful men able to teach others to be approved by God to accurately handle the Word of Truth
(2 Tim 2:2, 15)

*What did **Jesus** command*

HIS DISCIPLES TO DO?

“You must follow Me!”

(Mark 2:14)

“You must repent!”

(Matt 4:17; Mark 1:15; c.f. Luke 13:3)

“You must believe in Me!”

(John 6:29, 14:1)

“You must go into all the world and preach the gospel!”

(Matt 28:16–20; Mark 16:15)

*How shall **the Church***

MAKE DISCIPLES OF ALL NATIONS?

Mission Statement

The Master's Academy International is committed to fulfilling the Great Commission by training indigenous church leaders to be approved pastor-teachers, able to equip their churches to make biblically sound disciples.

Priority of the Gospel

The gospel of Jesus Christ alone is the power of God unto salvation to everyone who believes (Rom 1:16). Therefore, fundamental to our theological education is an accurate and thorough proclamation of this true gospel.

Importance of Integrity

We uphold God's high standard of holiness and integrity for spiritual leaders (1 Tim 3).

Therefore, we provide accountability in doctrinal, financial, and academic matters.

Core Values

Ministry Distinctives

Stewardship

TMAI provides a return on investment that is unmatched. Consider this: It costs nearly **\$60,000** to bring **one pastor** from Africa to the US to study for a year. However, for the same **\$60,000**, TMAI can provide one year of training for **thirty students** in Africa. There is no question which is the wiser stewardship of the Lord's resources.

Ministry Distinctives

Multiplication

By training one local pastor, we are strengthening an entire church congregation. That body, in turn, will be fully equipped to faithfully preach Christ to its surrounding community. With over 7,400 graduates teaching in thousands of churches, gospel witnesses are multiplied exponentially. An investment into one pastor's life brings a harvest of many.

Ministry Distinctives

Impact

Given the proper training, **indigenous church leaders are more effective at planting and pastoring churches than foreign missionaries** since they are fluent in the language, have an innate knowledge of their culture, and are intimately connected to the people to whom they minister. **Because our graduates face no cultural or language barrier, ministry impact is maximized from day one.**

Ministry Distinctives

Presence

Our faculty live in the country where they minister. This allows them to thoroughly invest in the lives of their students, discipling them and their families as they apply what they've learned through ministry in the local church. Full-time presence means full-time discipleship.

Ministry Distinctives

Longevity

Because our students are trained in their own countries, **they are not subject to the visa issues and diplomatic volatility that sometimes plague missionaries.** Rather, they are equipped for a lifetime of ministry in their home country even after the missionaries leave. Furthermore, TMAI's commitment to indigenous leadership means that ultimately, each training center will be put into the hands of these capable local leaders. This is true ministry.

The following are a few critical theological considerations that frame the scope of our training. The list is not exhaustive.

We employ the historical-grammatical hermeneutic.

- We practice biblical interpretation **through original language exegesis.**
- We exposit the whole counsel of God.
- We maintain a futuristic premillennial eschatology.
